

2011 Hartland Equestrian Team Varsity Letter Criteria

- 1.) You must attend all meetings, mandatory practices and meets (including Regional and State Championships).
- 2.) You must maintain a positive attitude towards fellow members, coaches, parents and judges.
- 3.) You must participate in team fundraisers
- 4.) You must always be aware of when your class is entering and being ready at the gate well before your class/split is called.
- 5.) You must earn a minimum of 10 points in the district, regional, and state meets.
- 6.) All registration fees and other costs must be paid in full.

All final decisions on letter candidates is up to the coaches. As equine activity always involves a degree of uncertainty, and horses cannot always be counted on to be sound and ready for competition on a given day, the coaches may award discretionary points to a student in an exceptional situation.
